Q1 Are you a manufacturer?

Yes, our factory is located in Dongguan City, which is near Guangzhou and Shenzhen. We have been in providing professional packaging solutions over 15 years.

Q2 What material would your bags be made of?

OPP, CPP, LDPE, HDPE, PET, PP, VMPET, VMCPP, Nylon, Aluminum Foil, etc.

Q3 Do you have products in stock to sell?

Since we work on OEM or ODM orders, that means the size, material, quantity, design and packaging solution of your bags will depend on your requests.

Q4 What information should I let you know if I want to get a quotation?

The bag size, artwork design, quantity and the preferable materials.

Q5 What kind of design format is available for making plate?

Common format: PDF, CDR, AI, PSD.

Q6 Can I get a sample?

Usually, we can provide customers with samples for free, but we'd appreciate your help with delivery cost.

Q7 How do you guarantee the reliable quality?

Each step of production and the finished products will be carried out inspection by QC and QA, and guarantee every details meet customers' requirement accurately.

Q8 How do you ship the goods?

By sea, by plane or by couriers (DHL, FedEx, UPS, TNT).

About us

Our company has 12,000 square meters of modern factory building. The company's main products: High-temperature retort bags, aluminum foil vacuum bags, zipper bags, self-standing bags and roll film, products are widely used in food packaging, seasoning packaging, aquatic product packaging, medical packaging and daily chemical packaging and other fields. Our products passed the ISO9001:2015 quality management system certification.

We have established a good supply relationship with many export enterprises. At present, the products have been sold to Japan, South Korea and many other countries.
