

## Tearproof Eco Friendly Composite Plastic Bag Customizable Thickness

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Brand Name: Zipper Composite Plastic Bag Customizable
- Model Number: customizable
- Minimum Order Quantity: 10000
- Price: USD:0.045
- Packaging Details: carton
- Delivery Time: 15 days
- Payment Terms: T/T
- Supply Ability: 5000 per day

#### Product Specification

- Thickness: Customized
- Printing Method: Customized
- Color: Customized
- Design: Customized
- Surface: Smooth
- Logo: Customized
- MOQ: Negotiable
- Usage: Packaging
- Highlight: **tearproof composite plastic bag,**  
**custom thickness composite plastic bag,**  
**tearproof multilayer plastic bag**

## Product Description

### Product Description:

Composite Plastic Bag is a kind of tearproof and biodegradable packaging material that is designed with custom size, custom design, custom printing method and custom printing to meet the needs of customers. It is specially made of composite plastic to provide excellent durability and convenience for customers. The composite plastic bags are lightweight, strong and waterproof, making them perfect for packaging a variety of items.

The composite plastic bags are also designed with safety and environmental protection features, such as non-toxic, anti-static and flame-retardant materials, making them safe for storing and transporting food items. Moreover, these bags are easy to store and maintain, as they are made of plastic which can be reused for multiple times.

With its custom size, custom design, custom printing method and custom printing, Composite Plastic Bag offers an ideal solution for packaging a variety of items in a safe and secure manner. This product is perfect for businesses and individuals who are looking for an effective and eco-friendly packaging solution.
