## Packing and Shipping:

Plastic Drawstring Bags packaging and shipping:

The bags should be placed in a cardboard box and sealed securely with tape.

To ensure the bags are protected during transit, the box should be filled with cushioning material.

The box should be labeled with "Fragile" tape if the bags are breakable.

The box should be labeled with the product information, sender information, receiver information, and a tracking number.

The box should be sealed with a plastic or metal shipping seal.

The box should be shipped using a reliable carrier.
