Product Description

High Heat Resistance and Non-Toxic Custom Silicone Products with BPA Free Material Type

Product Overview:

Customized Silicone Soap Mould & Custom Silicone Products

Our Customized Silicone Soap Mould offers a waterproof, multi-cavity design perfect for making multiple soap bars simultaneously. Ideal for personal use, gifts, or special events like weddings and birthdays, it ensures consistent, high-quality results. With a minimum order of 1000 sets, you can tailor the moulds to your exact needs.

Beyond soap moulds, we provide a wide range of custom silicone products, including food-grade silicone containers, tubing, and gaskets — all BPA-free, heat-resistant, and durable. These versatile products suit applications across food processing, manufacturing, and gifting.

Key Features:

Multi-cavity, waterproof design

Customizable sizes and shapes

BPA-free, high heat resistance

Minimum order quantity: 1000 sets Lead time: 15 days

Available for OEM/ODM services
