Product Description

Customized Printing for Food Safe Custom Paper Shopping Bags

Product Description

The Glassine Paper Bags are a versatile packaging solution that offers both transparency and durability. Made from glassine paper, these bags feature a translucent or highly transparent nature, allowing for clear visibility of contents while providing protection from dust, dirt, and moisture.

Designed as block bottom paper bags, they provide a stable base for storage and display. The block bottom design allows the bags to stand upright, making them perfect for retail displays or home organization.

Key features include logo printing support for branding and custom printing options for complete personalization. These bags combine functionality with aesthetic appeal, making them ideal for packaging small gifts, jewelry, crafts, and other delicate items.

Key Features

Applications

Xushen Glassine Paper Bags (Model Number: ODM) are versatile and suitable for a wide range of uses. Certified with FFC, these tear and puncture resistant bags are ideal for storing and protecting small items with custom size options available.

Perfect for retail products, gifts, or promotional items, the heat-sealed construction ensures item safety while the block bottom design provides stability for upright display.
