Product Description

Fold-over Closure Custom Paper Bag Printing 10 X 10 Inches for Customized Needs

Product Description

A Custom Paper Shopping Bag is an essential item for any bakery or food establishment looking to provide a convenient and eco-friendly packaging solution for their customers. The Paper Bread Bag is designed with simplicity and elegance in mind, making it a versatile option for a wide range of products, especially bread and other baked goods.

One of the key features of the Paper Bread Bag is its grease-resistant properties, which help keep the bag clean and free from any oil or grease that may be present in the baked goods. This feature ensures that the bag maintains its elegant appearance even after handling oily or greasy items.

Another notable feature is its breathability, allowing freshly baked bread to remain fresh for longer periods. The breathable design prevents moisture buildup, which can lead to soggy bread. This feature is essential for maintaining the quality and freshness of the baked goods inside.

Furthermore, the Paper Bread Bag is eco-friendly, made from recyclable materials, ensuring environmentally friendly disposal. The bag is strong and sturdy, capable of holding various baked goods without tearing or breaking during transportation and handling.

Available in a classic brown color, the bag adds warmth and sophistication to any bakery display. Various sizes are available to accommodate different products, from individual pastries to loaves of bread.
